

Questionnaire

Date: _____

Reference Number: _____

Section A: General Information

Person Interview: _____

Position: _____

Farm name: _____

Farm Name (map reference): _____

Farm size (ha): _____

District/town: _____

Province: _____

GPS Gate: _____

GPS House: _____

Section B: Farm details

Farm activities: (indicate in percentage)

Livestock						Crop Production					Wildlife
Beef	Dairy	Sheep	Goat	Poultry	Other	Citrus	Fruit	Grain	Veg	Other	

Number of Livestock:

	Cattle - Beef	Cattle - Dairy	Sheep	Goats	Other
Breed					
Male					
Female					
Young					

Wildlife:

Natural	Farmed

Kudu	Bushbuck	Nyala	Mt Reedbuck	Blue Wildebeest	Eland	Duiker
Warthog	Bushpig	Porcupine	Giraffe	Waterbuck	Klipspringer	Zebra
Impala	Guinea fowl	baboon	Other	Other	Other	Other

Farm habitat type: (Indicate in percentage)

Mountain	Hills	Open Plains	Riverbeds	Utilised (crop)	Grazing	Other (specify)

Grass type:

Sweet	Sour	Mixed

Water Source type:

River	Stream	Fountain	Dam	Borehole	Canal	Other

Section C: Infrastructure

Perimeter fence

Type	
None	
Mesh	
Wire/cattle	
Barbed	
Electric	
Wild	
Other	

Condition	
Poor	
Ave	
Good	
Very Good	
Excellent	

Height

Livestock management:

	Daily	Every 2 nd day	weekly	Seasonal	No
Bring in at night					
Bring in young at night					
Monitor herd					
Monitor young					
Leave out in field					
Guarded by humans					
Guarded by dogs					
Other					

Number of workers		
Number of dogs		

Section D: Predators

Which species of carnivore have you seen/detected on your farm?

	Leopard	Hyena	Caracal	Serval	Jackal	Civet	Genet	Mongoose	Other
Seen									
Spoor									

Do you have issues with predators on your farm?

Yes	No
-----	----

Which species do you have problems with?

Species	Problem

Section E: Losses

Livestock losses:

	Breed:		Breed:		Reason for losses
	Adult	Young	Adult	Young	
Total per year					

Wildlife losses:

Species	Number per year	Reason

Section E: Attitude towards predators

Species	No opinion	Shoot	Poision	Trap	Tolerate	Friendly	Other
Leopard							
Hyena							
Caracal							
Jackal							
Serval							
Civet							
Genet							
Domestic dog							
Other							

Have your views changed towards carnivores over the last 4 years?

Yes	No	Unchanged
-----	----	-----------

If yes or no what is the reason for changing your view?

Thank you for your time!
